

General Services - OCA#202118A

- Planning Meeting notes from 10/8/2020 - Council may want to consider making an official plan
 - Top Goal - Development of River Front Property
 - 2nd Goal - Street Revitalization - N. 4th, 7th, 9th next. prepare master/official plan?
 - Look into additional offstreet parking areas, consider ADA accessible route plan, bike route,
- N. 2nd & Terrace curb cut requested
 - Stormwater management concerns with cutting curb
 - Proposed work should include stormwater management - could include new inlet
 - Design could include inlet along N. 2nd Street, which would help with street runoff
 - Borough may want to consider providing materials (inlet / pipe)
- First Evangelical Lutheran Church dropoff
 - Requesting dropoff location with ramp from door to street (mid block, stops traffic)
 - Will street be modified in future? (widened) - could impact proposed construction
 - Could look at changing direction of one-way traffic. (Past request from West-In-Arms?)

- Draft Act 167 plan waiting on County to finalize

Apollo MS4 - OCA#201518F - approximately 20,000 lbs of sediment need to be removed yearly
Best Management Practices (BMP) options being pursued
Street Sweeping - 1% - Needs to be done at least 25 times per year (28 completed)
If streets will be done once a year or less frequently, then the material removed can be weighed and used for credit. (Approximately 48% handled this past year)
Demolition of vacant structures - 3% - by Borough or others - being tracked
8 structures removed between 2015 & 2020 - 15,437 SF or 558 lbs total
304 Clifford Avenue being removed (for next year report)
Stream Restoration alternative with a focus on Sugar Hollow Creek
Create cooperative with Kiskiminetas Township
Kiskiminetas have formally given authorization - detailed agreement needed to be prepared
OCA reviewed locations along Sugar Hollow Run for project work and have list of property owners
Will need to be given priority so that 2022 grant application can be made
Many MS4 requirements have not been met the last two years primarily with regard to planning.
Public education planning - including pamphlets with other bills - (newsletters were issued)
Outfall inspection and monitoring by Public Works - should be planned for - done by 2023
Other items as well.
PADEP Meeting went well - Apollo has done more than other communities
PADEP State Permit expires 3/15/2023
Apollo Permit is good for 5 years from issuance or until 10/3/2023
If permit requirements are not met by then the PADEP will pursue a consent order agreement or a consent order which will force the Borough to comply and will include fines.
