Sanitary system redesign awaiting final project design from PADOT

Reviewing options for Scenic Drive & S.R. 0056 intersection

Wooster has submitted their study to PADOT - expect response in next week or two

Apollo Borough Sanitary Sewer Services - O&A#201618C

KVWPCA

River Offalls KVWPCA ownership transfer of diversion manholes to acknowledgement

New plant project completed and fully operational - Open House October 30th 1-4pm

Flow data report (still waiting)

Flow monitoring of the Apollo System to begin November of 2016

Flow Monitoring is out for bid by KVWPCA and are due 10/19/16 at their meeting

The flow monitoring will be used to determine the new sewage rates for each community

Elimination of infiltration will help to reduce flow to plant and new rates for sewage

Inspection ports could be reviewed during rainfall events to verify compliance

The Rural Watershed Association could be contacted about doing inspections

A grant could be sought for getting low flow toilets installed to reduce flows

2016 PADEP required reporting data to KVWPCA by Apollo

O&A to prepare calculations and respond to KVWPCA request for data

Apollo Borough Grants - O&A#201518D

Greenways - O&A#201518D.02 - approved by DCED for \$150,000 - Apollo match \$26,470.59

Multimodal - O&A#201518D.03 - approved by DCED for \$166,325 - Apollo match \$71,282.15

Funds need to be used by June of 2019

Owens Grove, N. 2nd, Hose House Alley, as one project for 2017 construction season

Railroad Street widening and trail work as other project for 2018 construction season

Field survey work was started today

Apollo Bike Route Idea

Consider bike route / lane using N. Warren and S. Warren looping back to trail

Repave streets, improve landscaping, signage, to draw trail users to businesses

Consider submitting for 2017 multimodal and adding work to Railroad Street project if

project work is scheduled for 2018

Armstrong County Watershed Plan Advisory Committee (WPAC) - O&A#201418F

Draft Act 167 plan waiting on County to finalize
